## **GENERAL REPORT:**

The Greater Orlando Area's Unidos En Recuperacion VI convention was a huge success. It surpassed our wildest dreams. Spiritually, it was a success as it regards out 1<sup>st</sup> Tradition's principle of unity with both Spanish and English speakers doing recovery based workshops and service based workshops. It was a success as it relates to our main meetings with both the Spanish and English speaking NA communities sitting together and receiving the message of recovery, as the 5<sup>th</sup> Tradition speaks of.

If you didn't attend all or part of the convention your personal recovery missed what part of Unidos En Recuperacion's purpose and the NA Fellowship's Vision Statement states when it says, "Every addict in the world has the chance to experience our message in his or her own language and culture and find the opportunity for a new way of life". Unidos En Recuperacion is unique in that it does it in two languages at the same time and equally.

Thank you GOASCNA for allowing us to serve you, and NA as a whole.
