## **FELLOWSHIP DEVELOPMENT REPORT:**

**Full report will be posted on regional google groups, Regional website and Orlando Area Website.**

The AM Meeting of the Fellowship Development Group had 50 people in attendance and we were able to round-table the main topics that permeated the Area Support Group

The topic and results were as follows:

1. RSC Orientation
  2. Capture & Recover
  3. RSC Orientation 2
  4. Sell the Sizzle Survey
  5. Predatory Behavior
- Create FDC Presentation for understanding the Service Structure in Areas
  - Group Area Regional Finances (on hold): We will decide what to do next RSC
  - Latino Outreach is staffed
  - Statewide PSA (on hold) We will decide what to do next RSC
  - FRC Board Policy Review
  - Young People's Outreach HRP will provide up to three members to complete the multimedia presentation
  - Prison Outreach Work Group/Traveling Prison Presentations: staffed
  - PR Presentations: This workgroup is also all but completed. The visual presentation is ready and after lengthy

discussion have decided that it is available for use, since the only part that was not approved by the RSC was the voiceover. The voiceover has been recorded and hopefully will be ready for presentation at the next RSC.

- Liability Insurance: More will be revealed
- Literature in Public Libraries and Literature Racks in Pharmacies: This has been staffed and due to the similarity they are being combined.
- Area Service 101 (almost completed)
- RSC Orientation: Staffed
- Predatory Behavior: Being staffed

**FRCNA**

1. There was concern expressed about our accepting of partial pays and the question was asked what could we do to increase people registering, furthermore a suggestion was offered to decrease the amount of the registration to hopefully allow for members to be able to afford payment. Answer: The Board deliberated and decided to lower the registration prices in hopes to facilitate this.
2. The question was asked if any of the Board members had suites during FRCNA 25. Answer: I checked with the CFO and the answer is no. Our records are available for audit or inspection as directed by the Region at any time. The final report and financial wrap-up for FRCNA 29 and the proposed budget for FRCNA 30 excepted t-shirt for pre convention is available and pre registration available please register.

**RCM Tasks:**

1. Continue to Bring Fellowship Development Pool forms
2. Encourage members to register for FRCNA 30
