General Report

200 Fliers (\$15.26) are being circulated in the area to attract more 'phone carriers' and '12 step volunteers'. (These were ok'd by ASC Vice Chair and handed out at ASC (Sept. 8) and taken to various groups in our area.)

Admins are attending various groups and announcing the helpline needs more phone carriers.

On Sept. 19th **twelve people attended our monthly subcommittee meeting**. After the helpline subcommittee **3 people were oriented to be phone carriers**.

We are encouraged by the support from GOASCNA admins, and the members in our area for responding to the needs of the helpline subcommittee. Thank you!

The helpline orientation at SWOI Longwood on October 23rd at 9:00PM HAS BEEN CANCELLED. We need more time to adequately prepare our next orientation and updates to the carrier binders.

The 'Community Resource List' is available today for you to view a hard copy and is also on google groups. You requested that we bring the updated copy to you months ago, and we are open to any feedback about it. Note that it is no longer called a 'referral list', for obvious reasons, we do NOT refer anyone.

Carrier binders are nearly completed. We need to put together approximately 5 for the next orientation. Carrier binders cost \$10 to \$12 to print and bind.

We await progress and updates from the Helpline Adhoc.
