GOASCNA Chair Report ASC Meeting Date: 4/8/2018 12:30 PM

Welcome to all new and returning Greater Orlando Area Members! We're glad you're here!

As you can see, the agenda has changed! I am hoping this is a remedy to make sure we can spend adequate time for old and new business.

- Subcommittee and Admin reports are now going to be presented as follows: 1: is your subcommittee experiencing any issues, 2: what can we do to help, and 3: what have you spent and what is left in your budget. For more detailed information, we will now refer to the written report. This should also help cut down on time and we can focus on solutions for your subcommittee.

- When Reports are being presented, keep your questions limited to what was reported ONLY. If you have a comment, please speak to the Chair or Vice Chair of that committee during the break.

- For Proposal discussions, please keep comments concise and to the point; try not to repeat something you've already heard or I will ask if you have another question or comment that is new.

- PLEASE be considerate and refrain from sharing for excessively long periods of time so that everyone who wants to participate has the opportunity to do so. I will help in moving this along.

There are open Admin and alternate positions, subcommittees without chairs and/or vice-chairs, and numerous other open service positions waiting to be filled, so please consider the fourth concept when nominating people for those positions.

In Loving Service, Terri, G.O.A.S.C.N.A. Chair
