General Report

We held our subcommittee on March 19 2019, at 7:00 pm. There were 13 members present, including 5 new members. The new members attended orientation. Presently we are currently taking in 10 presentations into 5 different clearance facilities and 18 presentations into 14 different non-clearance facilities, with a combined total of 33 panel leaders with commitments at this time. We currently have 5 open commitments at clearance facilities and 10 open commitments at non-clearance facilities. Please keep in mind that most of these facilities have multiple presentations on our listing as some facilities request more than one weekly meeting from our H6 subcommittee. With that being said, only 2 clearance facilities and 3 non-clearance facilities are not being serviced at this time. The H61 subcommittee is still in the process of reviewing the porposed changes, to the H61 policy. We will be addressing this potential policy change to our guidelines, at our next H61 subcommittee meeting, on April 16th, 2019. We have spoken to the activities chairperson, and will be conducting a book drive at the upcoming learning day. Our hope at our H61 subcommittee, is to attract more new members in the near future, and encourage former members to return to service. We placed a literature order of \$352.70, but with the 3% discount from

reginal service, the total cost will be \$345.65 for the Month of May.

Elections: No elections were held, and all admin postions are filled.

Concerns or Needs: None at present

Upcoming Events: Next H&I subcommittee meeting is on April 16th, 2019

In Loving Service,

Joe P, Chairperson
