General Report: We are still currently going into 17 facilities, with 8 open facilities.

Report: I attended Regional's in Clearwater FL in November, and currently there are 5 Behind the Walls meetings being brought into Florida Prisons. Behind The Walls meetings are actual NA meetings that are located within the prisons. We are encouraging members who are interested in carrying the message into Prisons, to please see myself for more information, or Tommy V. our Regional H&I Chair to get clearance information. Our H&I sub-committee meeting has been moved to the gym at the church where we meet. I will be holding an H&I orientation this month before the regular sub-committee meeting at 6:15pm if anyone is interested in attending and being of service.

Elections: We elected T as a new panel member for the VA hospital. We are still looking to fill our Vice Chair position as well as Panel Coordinator1 position.

Concerns or Needs: We are still encouraging each GSR to go back to their homegroups, and announce the need to carry the message of recovery into facilities who don't have access to outside NA meetings, as well as the 2 positions that are open. I would like to invite PI, Activities, Helpline, and other subcommittee members to our subcommittee meeting to better serve our fellowship and community.

Minutes from last month were approval as written

A. Halloween Dance

We talked about ways to improve the Halloween next year if we do it at the same location.

B. New Year's Eve Dance – December 31st

We would love for everyone to announce both events that are on New Years to avoid some confusion.

The following coordinator positions were identified/assigned:

- i. Service Auction – Jennie, with Sharon's assistance
- ii. Rummage Sale – Dennisse
- iii. Sale of Drinks – Mary
- iv. Ticket sales – Lora will coordinate but she will be sure to have someone with over two years clean handling the money
- v. Pot Luck – Whitney
- vi. Decorations/Set-Up – Dani
- vii. Clean Up – To be assigned

I have a sign-up sheet today for the Pot Luck portion of the dance.

Please get back with me on what your homegroup is willing to bring ☺

C. Area Celebration – February 18th

We are putting in our budget this month for this event. We are looking at some different food options from last year. There are 2 possibilities right now, Olive Garden and Private Catering. The theme is going to

be a Carnival Birthday Celebration! The coordinators for this event will be established next month so if you would like to help out with this huge event please come to our next subcommittee meeting! 😊

B. Area Campout – March 2012

We are not going to cancel this event. There have been people who has stepped up to make sure this event is a success. A homegroup has also shown some interest in pairing up with activities to help.

C. Monthly Bike Ride

Susan no longer has the willingness to coordinate this event. Shawn W. has agreed to continue running it, despite the fact that he is not an Activities subcommittee member.

D. Learning Day – June

We were not sure if this year we are having the Learning Day but we came up with some fantastic ideas of how to change it up and get a lot of involvement.

F. 80's Skating Night (April) and Laser Tag (May)

The Meeting was closed with the Serenity Prayer.

GOASCNA

Ad Hoc on Local Service Structure

REPORT

November 13th 2011

The committee met, there were (9) members present;

We opened the meeting at 4:30 PM,

TOPICS:

- **GSU discussions are on hold until workshop in December.**

- **Sub-Committees --- attendance / leaving early**

“Point was made that by the time “New Business” began there were only (2) Sub-Committee Chairs still at the end table.” There was discussion about this topic and the end solution was decided to have the Vice-Chair contact the Chairs of each sub-committee and let them know what the policy states regarding leaving early. Also reminding them they must be excused by the Chair if they are not to be counted absent. It was also mentioned that they, very well may have the most experience on a given topic that needs to be discussed on the floor during the decision making process. They are needed in the process and can add a lot to it.

- **Handling of discussion;**

A point was made that we improve the process by beginning to call on those around the room in an i.e. “clock-wise” direction not calling on someone twice or going back in the other direction until everyone has been heard.

Another point was that we may want to have a set amount of time to discuss each proposal unless it changes then start the time over so we don’t continue to hear the same statements over again.

- **The Roll Call;**

The Alt. Secretary asked for a solution on the attendance sheet, stating that it is very hard to know when a person comes in late if they don’t announce it. She also asked for help in that she would like for people to not approach the Admin table until she gives her report, as there is a lot going on at the beginning of any ASC meeting for her to keep track of for the record of the minutes.

There may be an announcement to ask that the members of the ASC please give the Alt. Secretary the courtesy to do her job with as little interruptions as possible in the beginning of the meeting.

- **GSR Orientation:**

Stephanie and Gary stated they would help with this at the next ASC meeting

Meeting closed at 5:00 pm with the “Serenity” prayer.

In loving service

Terry C.

*Area Support met discussed topics and concerns in other Areas, on the IT the Face book topic is still hot in some areas and will continue to be struggled with for all to agree where NA and the areas are with this, after many discussion it was suggested to read the draft of the of the new social media pamphlet that is available by request. On the PR, was asked by an Area who just elected a PR chair to attend their first sub-committee meeting and help get them started.

PR RESOURCE COORDINATOR REPORT

Subcommittee working great on their responsibilities, both PR booths have been utilized over the last 2 months and subcommittee is looking to have the presents of NA in health fairs and other conferences as they come up. Subcommittee also has been actively involved in events taking place in different areas. Near future, subcommittee will be contacting Bright house Networks about possibly running Public Service Announcements throughout the Region. More will be revealed.

H&I

On November 5th there were 12 members that entered the Coleman Federal Prison to be oriented and fill out all the paperwork, have pictures taken, and finger prints taken in order to gain clearance for the federal prison system. The orientation went well this will be the first Federal prison H&I will be carrying the message in to.

IT

The IT coordinator is looking into more research and discussion for the face book page to make more changes as we go along with that process.

HRP

HRP encourage members to be a part of these workgroups.

Current workgroups:

- **Research the feasibility of merging the RSO and FRC Inc. boards**
The group has gathered all the information handed in the final report that stated that "it is a fee sable idea, however practical it is not really
- **Clean Park, Clean Image (Public Relations)**
This workgroup has had no activity reported an the PR coordinator John B. will be investigating what is happening and contacting members of that workgroup
- **Young People's Outreach**
They are making progress and 4 members of that group met here yesterday. The workgroup will be coming together at next region to review the compiled rough draft of the presentation. They still have some fine tuning to do and hope to present the finished product at January RSC
- **FRC Inc. Board calibration of governing documents**
This workgroup did not meet and is in a holding pattern and I believe FRC president wants to clarify what it is that is really needed to help get this group moving along
- **Literature in Public Libraries**
Visited his local library in Lake Wales and the director was very receptive to the idea. She also gave the name and phone number for the Director of Polk County Libraries.
- **Literature in Pharmacies**
PR resource coordinator spoke with Jerry and he told me that the group is just in the beginning stages, that last region was their first meeting.
- **Bridge Project**
Project has not started and is in the process of being staffed
- **Predatory Behavior**
Our group currently has met between regions in person due to the availability and location of the members it was easy to coordinate and discuss the group.
Currently we have obtained a lot of information and will need to work on separating what we can use and what we will not. From now on we will post when we meet in person so we can keep everyone up to date" They are looking to complete the project by the January 2012 RSC.

- **Roles and Responsibilities of Workgroup leaders and Resource Coordinators**

There has been no work done this project and that is partially my fault and I will be attempting to have this workgroup moving forward by the next RSC

* We will still be working with FDC and the IT coordinator to facilitate a training session for the Fellowship Development Community website. An agreement has been reached with the admin body that will allow HRP to have private space at each RSC for interviewing and orientation

March 2012 Greater Orlando Area (GSR ASSEMBLY)

In Loving Service
Freddy A. and Dani
RCM Team

ASC Report Chair

ASC Date: 12/11/2011

Meeting Date: 12/8/2011 1:27 AM

Welcome to all new members and those returning, we're glad your here... Keep coming back.

I would like to take this opportunity to remind us all that "The Greater Orlando Area Service Committe", is "The Workhorse of the Service Structure" as written in our Guide to Local Service's page 45 and on page 46 we wrote and I quote, "AREA COMMITTEE PARTICIPANTS: There are three groups of participants in most area service committees:GSRs and theiralternates, administrative officers, and subcommittee chairpersons. The Seventh Concept for NA Service says that, "All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes." Group service representatives provide a "grass roots" perspective to the area decision-making process, helping ensure that the committee's feet are planted firmly on the ground. Administrative officers and subcommittee chairpersons also bear substantial responsibility for the fulfillment of area services. Their ongoing growth and experience in carrying out their duties is an invaluable resource to the area as it develops and expresses its group conscience. We ought never allow a base of valuable experience to be created without utilizing it to the fullest. Each area is responsible to create its own decision-making plan. In doing so, area committees should carefully consider the Seventh Concept.

We come together once a month for three hours,, 1PM to 4PM... Let's stay focused and committed.
WE ALL NEED TO BE PRESENT FOR THE COMPLETION OF OUR BUSINESS!!!

The Conference Agenda Report(CAR), is very important, please access it via our Website , click on to "NA World Service Conference" and follow the instructions to download a copy,, print a copy and get ready for the upcoming workshop next week,,,
This is an all inclusive process, get as many homegroup members involved and have them share with you there concerns, questions etc.
write them down and we'll have the answers at the workshops, RMC's , AD's , Website,etc.invite them to participate..

Peace and Love to all... Enjoy these festive days....

In Loving Service,

Richard A.,Chair
